Applied Biotechnology in

- Farm Animal Industry
- Gene and Molecular Therapy
- Experimental and Regenerative Biomedicine
- Assisted Reproductive Technology (ART)

ACECR

سل تک فارمد
Celltech Pharmed

7:30 - 8:00

On-site Registration

8:00 - 8:30

Holy Quran & Iranian National Anthem &
Introduction to the WANA Society & Congress

Chairperson of 2nd International WANA Congress

08:30 - 09:05

**Mohammad Hossein
Nasr-Esfahani**

President of ACECR

09:05 - 09:10

Hassan Moslemi Naeini

The General Governor of Isfahan

09:10 - 09:15

Seyed Reza Mortazavi

President of Royan Institute

09:15 - 09:20

Abdolhossein Shahverdi

**General Director of Office for
Patterning and Elites Glorification**

09:20 - 09:30

Mohsen Shahrezaei

Chairpersons

Farnoosh Jafarpour

Rasoul Kowsar

Abolfazl Shirazi

Using OPU-IVP in Cattle and Buffalo and the Challenges Ahead

09:30 – 09:50

Mustafa Numan Bucak

Embryo Transfer Technology in Bovine

09:55 – 10:10

Rajwali Khan

Bioinformatics Analysis and the Association of Polymorphisms Within the Caprine GDF9 Gene Promoter with Economically Useful Traits in Damani Goats

10:15 – 10:30

Nima Sadeghi Brojeni

A Feasible Approach for Ovarian Stimulation for OPU-IVF in Iranian Sistani Cattle: A Single Epidural Administration of FSH

10:35 – 10:50

10:50 – 11:00

Q & A (Panel Discussion)

11:00 – 11:30

Break

Hamid Gourabi

Chairpersons

Kianoosh Dormiani

Hossein Baharvand

Generation of Transplantable Caudal Midbrain Dopaminergic Progenitors for Treatment of Parkinson's Disease

11:30 - 11:55

Kamran Azim

Application of Modern DNA Sequencing Technologies in Medicine and Biotechnology

12:00 - 12:15

Mohsen Basiri

Targeting Placental Alkaline Phosphatase with Chimeric Antigen Receptor T-Cells

12:20 - 12:35

recorded

Asma Gul

Psychological Stress Manipulates Stretch-induced Piezo-1 Signaling: A Gateway to Cancer Progression

12:40 - 12:55

Hamid Gourabi

Current Status of Gene Therapy in The World

13:00 - 13:15

13:15 - 13:30

Q & A (Panel Discussion)

13:30 - 14:30

Pray & Lunch

Chairpersons

Parvaneh Afsharian

Masoumeh Salehi

Massoud Vosough

**The First Live Cell-based Product In
Iranian Drug List; A Success Story**

15:00 - 15:20

CellTech Pharmed Company

Fatemeh Ejeian

Dental Stem Cells Banking as a Biological Insurance

15:25 - 15:45

Royan Cord Blood Bank Company

Sirous Ghaedi

**pAbs (Polyclonal Antibodies) Application in
Control of Infection**

15:50 - 16:10

Zist Fannvaran Company

Yaser Tahamtani

**Zebrafish Technology for Developing
New Pharmaceutical Products**

16:15-16:35

Sayyed Sajjad Moravveji

**Cancer and Personalized Medicine:
Industry Perspective**

16:40 - 17:00

16:50 - 17:00

Panel Discussion & B2B

Ensieh HajiZadeh Saffar

Chairpersons

Elahe Masaeli

Sulaiman Al-Hashmi

A Nature-derived Fabricated Scaffold to Promote Wound Healing

09:00 - 09:20

Yousof Gheisari

Polyploidy: The Key Driver of Tissue Regeneration and Cancer Progression

09:25 - 09:40

Irfan Khan

Applications of Adult Stem Cells for Management of Low Back Pain

09:45 - 10:00

Massoud Vosough

Nanoparticle-based Drug Delivery for Gastric Cancer

10:05 - 10:20

Ayman Al Haj Zen

High Content Imaging of Vascular Regeneration for Mechanism Understanding and Drug Discovery

10:25 - 10:40

10:45 - 11:00

Q & A (Panel Discussion)

11:00 - 11:30

Break

Mahnaz Ashrafi

Chairpersons

Mehdi Ahmadi

Mohammad Hossein Nasr-Esfahani

Present and Future of Biotechnology in ART

11:30 - 11:55

Davood Fathi

**Integration of Artificial Intelligence and Microfluidic
Design in Assisted Reproductive Technology**

12:00 - 12:15

Mehri Mashayekhi

**The New Clinical Approach in POI Patients
(Exosomes, MSCs Therapy and PRP)**

12:20 - 12:40

Ahmad Alrahel

What is the Role of Stem Cells in Azoospermia Treatment?

12:45 - 13:00

13:00 - 13:30

Q & A (Panel Discussion)

13:30 - 14:30

Pray & Lunch

Chairpersons

Mostafa Ghanei

Mohammad Hossein Nasr-Esfahani

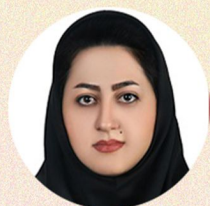

Maryam Mokari

**Integration of Engineering and Medical Knowledge to
Aid in the Treatment of Infertility**

15:00 - 15:15

Behrad Royesh Royan Company

Mina Masoudi

**The Role of the Reliability of
Medical Devices on the Quality of Infertility Treatment
Using Assisted Reproductive Technologies**

15:20 - 15:35

Salamat Yar Hakim

Masoume Nouri

**Cord Blood Bank and Birthing Tissues as a Source of
Regenerative Medicine Products**

15:40 - 15:55

Royan Cord Blood Bank

Ensieh HajiZadeh Saffar

**Advanced Therapy Medicinal Products Regulatory and
Quality Control Issues**

16:00 - 16:15

ATMP

Mohammad Mehdi Moghadasian

**The Law of Production Leaps and
Financing Models in Technological Projects**

16:20 - 16:35

10:50 - 11:00

Q & A (Panel Discussion)

Report of WANA Scientific Society (WSS)

17:00 - 17:10

Education Deputy of Royan Institute

Rouhollah Fathi

Biotechnology in Iran

17:10 - 17:20

The President of setad

Mostafa Ghanei

Executive chairman of 2nd international WANA Congress

17:20 - 17:30

Mehdi Hajian

WANA Scientific Society (WSS)
